Volunteer Appreciation

Richmond Woods is honored to have such incredible volunteers who dedicate their time to help support the recreation department here at Richmond Woods.

Our volunteers range from community volunteers to our very own, residents and tenants!

Our volunteers are passionate, supportive and are always willing to lend a hand and in turn we are eternally grateful.

Heather French Henry once said, “Volunteering is at the very core of being a human. No one has made it through life without someone else’s help.”

This quote is a powerful example of the type of volunteers we have here at Richmond Woods.

Our volunteers are wonderful human beings with big hearts and each volunteer exhibits wonderful dedication and spirit.

On behalf of the recreation department, we would like to thank all of our AMAZING volunteers for ALL THAT YOU DO!
