An amazing place,
bringing together

AMAZING
PEOPLE

LEGACY SQUARE

There are two key things that will make West 5 an amazing place - the people, and bringing those people together. At the heart of this vibrant community will be a central park, designed to do both. Legacy Square will be a destination location for Londoners, with a variety of events and activities including seasonal events like Easter egg hunts, outdoor movie nights, food festivals and more. All surrounded by experiential retail offerings that make shopping at West 5, truly unique.

Community events are planned monthly at West 5, including paint nights, cooking demonstrations, virtual reality parties and our most popular, seasonal markets. While smaller events welcome intimate groups, our summer and holiday markets bring upwards of 2,000 people to West 5 on a single day.
